Welcome to Marathasa Wines and thank you for visiting us!

We are a family-owned and run winery, producing premium Cypriot wine from indigenous and international varieties. Our vision is to revive the viticultural heritage of the Marathasa valley and contribute to thriving mountain communities.

All our wine is made from our own Marathasa-grown grapes, hand-harvested and bottled at our winery.

Our vineyards lie at altitudes of up to 1140m, resulting in fresh, complex and vibrant wines.

We hope you enjoy them!
